

Hire Charges

Owing to the varying nature and weights of the Neuland products we are unable to list the costs of delivery and collection. The chart below allows you to calculate the hire cost but please contact us for the carriage costs. VAT will be charged as well.

Packing:

Please ensure the goods are packed securely for return. Remember couriers are not the most careful people when moving packages!

Care of boards:

Please do not spray glue onto paper when affixed to the board. A cleaning charge of £50 will apply per board. Damage from sticky tape or big pins will be charged at £95 to replace the softboard. Please use Neuland pins (they are the ideal size) or masking tape.

Kit Cases:

Please remove the packing carefully and reuse for return.

Hire Order:

To place your Hire Order, please call us on 01300 345611 or email hire@pinpoint-facilitation.com
