<b>T and Cs</b>				
We do not charge for the days required for delivery and collection.				
It is recommended that we deliver <b>TWO</b> days before your event to allow for issues at the couriers.				
We will collect the working day after your event between 0900 and 1700.				
We will charge for any damage to the equipment surfaces or frames. This includes Pinboard frames coming back covered in glue -				
<i>Cleaning takes time and is not easy!</i>				
If you are using spray glue, spray the paper on the floor not on the board!				
Finally please ensure your venue knows when the boards are both arriving and being collected. Please give us a dedicated				
name and telephone number at the venue.
